Why is it at Herrington Country Park?

Based on the length and gradient required for the slide to make the event as exciting and fun as possible, Herrington Country Park is the ideal venue to host the first ever WearSlide.

Under 5's cannot participate on either slide.

All minors should be accompanied by an adult for their own safety and wellbeing although the adult doesn't need to take part in the event!

Why can't under 16's participate on WearSlide Plus?

The 100m slide is only open to people aged 16 years and over based on our health and safety evaluation. Anyone between 5 and 16 years old can participate on the 50m slide.
